All Snow!

Look at this! It is all snow.

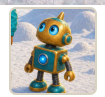

Nia will jump in. She can play.

Look at Jay! He is all snow.

Can the robot do that? It can!

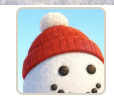

She can help. They make a snowman.

This one is big. That one is little.

He will find *a* red hat.

They all look at the big snowman.

Where is the hat? It was here!

Do you see that? It was a penguin!
