Soup for All

We have soup to eat. It will be good!

"Get the wagon, Jay!" said Nia.

So we went with the big wagon.

We have to go up there. So big!

The wagon can not get up there.

What do we say? We say, "Help!"

"We will be there!" said Kit and Pip.

"Go up!" they said. Up it went!

We eat and eat with Kit and Pip.

What is that drum? Who is there?
