The Little Boat

Can we go in the little boat?

"We can go and play!" said Jay.

Jump in, Jay! Jump to me!

Three frogs jump in to play.

Three frogs and I go down, down, down.

 

"Look! A big rock!" said Nia.

The little boat can not go.

Look! One funny turtle can see me.

Up we go! One funny turtle!

Look down! We see a big slide.
