

Can we go in the little boat?

"We can go and play!" said Jay.

Jump in, Jay! Jump to me!

Three frogs jump in to play.

Three frogs and I go down, down, down.

 

"Look! A big rock!" said Nia.

The little boat can not go.

Look! One funny turtle can see me.

Up we go! One funny turtle!

Look down! We see *a* big slide.
