# Where Is My Kite?

Come here, my yellow kite!

"Where is my kite?" said Pip.

"We can help!" said Nia and Jay.

Is it here? It is not here.

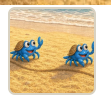

Come! We can find it.

Where is it? Look down here!

Two little blue crabs can help.

The blue crabs find my yellow kite!

Up in a tree! The bird can help.

Make a kite? We can make two!
